

The logo for SUREFIT is located in the top left corner. It features the word "SUREFIT" in a bold, blue, sans-serif font. Below it, the tagline "Your best fit forward." is written in a smaller, lighter blue font. The text is enclosed within a blue, rounded rectangular shape that has a slight 3D effect with a darker blue shadow on the right side. The background of the top half of the cover is white with light blue wavy lines.

Durable Medical Equipment

CATALOG

A thick, dark blue diagonal band runs from the bottom left towards the top right, separating the white text area from the fireworks background. The bottom right corner of the cover features a vibrant display of fireworks exploding in a dark night sky, with streaks of light in shades of blue, purple, and white.

PRODUCTS TO PROMOTE GREAT PRACTICE VALUE

Since SureFit's inception, our commitment has been to develop valuable products and solutions that benefit the Podiatric profession. Our revolutionary turnkey solution to diabetic shoes introduced many Podiatrists to a simple platform that combined patient care, product delivery and reimbursement. We have continued that tradition by evolving our products and services to meet your ever changing practice needs. This DME catalog allows you access to the industry's largest selection of braces and supports from one source saving your practice on costs, time and billing. SureFit is your best fit forward!

Solutions

Products - Value lines that meet common patient needs while reducing practice costs.

Custom Bracing - We provide many types of lower extremity custom braces so you can treat your patients effectively and quickly.

Vendors - If you don't see a specific product, ask! We will get it for you!

Delivery - 5 strategically located warehouses to ensure a quick on time delivery.

Medicare Document Management

Our online document management and shoe compliance portal creates up-to-date Medicare required documents that are faxed directly to the patient's MD for required signatures. Upon return, signed documents are reviewed by SureFit's document specialists and attached to the patients order in the portal. Once document review is completed the order is shipped.

Benefits Include:

- Management of required documents
- Confidently respond to audits and pre-payments reviews
- Increased office efficiency
- Centralize shoe ordering functions

Qualified Service Professionals

- Our trained and credentialed service staff can assist you with any specific product selection and fitting issues
- Offer training on products so that you and your staff can feel confident while fitting any brace or support
